If tuition was run (due on the first of every month) prior to notification of withdrawal, a refund for that month will not be available. Partial month refunds are not available.

Class Attendance, Pointe, Contemporary & Choreography, Company & Repertory

Attendance is crucial to a dancer's training. Dancers are encouraged to enroll in all technique classes available in their level to maintain continuity and further progress in training. Please arrive early and prepared to begin class on time--*Please see our dress code.* Late arrivals who do not receive the proper warm up needed to safely physically participate may be invited to observe for the day. Excessive absenteeism, tardiness, behavioral problems, dress code, and etiquette violations may result in a student being dropped a level until improvement is shown. If no improvement is shown, the student may be dismissed altogether. In the event dismissal arises, the tuition contract is still in effect and payment expected.

Pointe Classes: Students who have been approved for pointe & pre-pointe classes and required to attend a minimum of two weekly technique classes. Contemporary/Choreography Class: Intermediate dancers attending a minimum of two weekly technique classes. Company by audition or invitation. Additional fees may apply – please inquire.
